Alma Mater

O San Gorgonio High School

We raise our song to thee . . .

The mountains standing round us
Repeat the melody.

The blue if far flung distance
In which your future stands , . .

The black of strength and boldness

The white of purity.

Hulfillment of your future
lies in us and with pride
We'll go to higher achievements
In places far and wide.
Our Alma Mater, to thee
Our pledge of truest loyalty
And ever upward, onward
Your memory at our side.

San Googomo Fight Song

Stand up and fight for of San G. High If you want the best then give us a try.

S-P-A-R-T-A-N-S Spartans, you are the best.

Strap on your helmet, grab up the ball Come on ya' Spartans give us your all.

S-P-A-R-T-A-N-S Spartans, we are the best.

Give out a cheer for the Big Blue Machine Spartans are tough, ready and mean.

S-R-A-R-T-A-N-S Spartans, you are the best.

Opposition will not survive Competition is why we thrive.

S-P-A-R-T-A-N-S Spartans, you are the best.

We never quit, and that's why We are the top, yes, we're San G. High.

S-P-A-R-T-A-N-S Spartans, we are the best.

Stand up and fight for of San G. High If you want the best then give us a try.

S-P-A-R-T-A-N-S Spartans, we are the best.

I sit beside the fire and think
of all that I have seen,
of meadow — flowers and butterflies
in summers that have been;

Of yellow leaves and gossamer in autumns that there were, with morning mist and silver sun and wind upon my hair.

I sit beside the fire and think
of how the world will be
when winter comes without a spring
that I shall ever see.

For still there are so many things that I have never seen: in every wood in every spring there is a different green.

I sit beside the fire and think
of people long ago,
and people who will see a world
that I shall never know.

But all the while I sit and think of times there were before.

I listen for returning feet and voices at the door.

FOOTBALL

San Gorgonio's Junior and Senior Powderpuff Teams tied for the second consecutive year.

The game was fast paced and full of action. The Junior Class Team's spectacular offensive attack was just not enough to overpower the Senior's mighty defense

The cheerleaders for both teams were exceptionally talented and spirited and half-time was brightened by a dazzling performance from the Powderpuff Drill Team

REMEMBER

"NEW HORIZONS"

Well, I've had dreams enough for one.
And I've got love enough for three;
Thave my hopes to comfort me;
I've got my new horizons out to sea.

6 1, , ,

'cause I know I'm going to find my peace of mind someday

Where is this place that we have found Nobody knows where we are bound. Howe to hear, I need to see if I shed tears: too many for me

But I'm never going to lose
your precious gift.
It will always be that way
'cause I know I'm going to find my
peace of mind someday.

On the wind, soaring free, spread your wings. I'm beginning to see:
Out of mind, far from you.

This year's jumor class, under the leadership of John Rudningen and Rhonda Dunigan, has proved that the class of '79 is more involved in school activities by raising more money than any junior class in San G's history. Fund raising included donations for parking during football games and concessions at all home basketball games.

With one foot in front of the other. I will walk on.

Making my being an asset to the earth I tread

I will hold my head high and sure and I will be confident

I will not worry.

If I fault the tide will wash away my footsteps, leaving me with another direction to take.

Another chance to make each day a better one

It is with this courage I will always walk on.

So I pass the night dreaming
I dream of the past and what it held
I dream of the future and my hopes to be
As I dream I try to see what hes ahead
To perceive what destiny has in store
If only I knew what to think or feel
If only I knew what lay behind the horizon
But instead all I know is that I do think and feel
And I know that today is tomorrow
The future frightens me I'm only one in a vast sea.
Not knowing where to go, what to do, or what my
Future will be
And so I dream

Silently watching the waves roll in, I sit and think of you. As one comes, one must always, go But I guess you always knew.

Time slips by so easily, While memories grow so strong. But I can't see the days gone by, So long ago, so long.

On the day you chose to leave, I saw behind your eyes You had the peace within yourself, Your mind opened to the skies.

You held your life within your soul, But no one else could see That when your life slipped from our hands, You'd finally been set free.

Silently watching the waves roll in, I sit and think of you. As one comes, one must also go, But I guess you always knew.

Misty Memories of Summer

Marking the beach, Leaving footsteps in the sand, The sun setting into the ocean Bringing darkness to the land.

Sea shells twinkling on the shore Like stars in the sky. The moon cooling the earth As it passes slowly by.

To the top of the hilltops, Guided by fire flies in the wind, Joining in with the harmony. Few of life's moments left to spend.

As the new season soon begins, The old is left behind, Leaving footsteps in the sand And misty memories in my mind.

MY CREED

"I do not choose to be a common man. It is my right to be uncommon. I seek apportunity to develop whatever salents God gave me - not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk, to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficience nor my dignity for a handout. I will never conver before any earthly muster nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act myself, enjoy the benefit of my creations and to face the world boldly and say - "This, with God's help, I have done." All this is what it means to be an American."
